Frequently Asked Questions

WHAT WAGERS COUNT TOWARDS EARNING REWARDS?

Receive wagering credit for all California Thoroughbred and Fair race meets at Surfside. Saddle Club members exclusively receive credit for all races, including imports! (Only CA Thoroughbred & Fair race meets are included in cash back rewards)

HOW DO I USE THE CARD FOR WAGERING REWARDS?

Just insert your Diamond Club card into the designated slot on a self service or teller-manned tote machine before placing wager.

HOW DO I KNOW IF THE TOTE MACHINE READ MY CARD CORRECTLY?

If your card has been properly inserted, your membership number will briefly appear on the tote screen and print on the ticket just below the total amount wagered.

WHEN ARE MY WAGERS RECORDED ON MY CARD?

Wagers are recorded the next race day.

HOW DO I KNOW MY WAGERING LEVEL AND WHAT REWARDS I QUALIFY FOR?

You can check the self serve Kiosk across from the Gift Shop during open hours. There is no redemption of points needed, just reach the wagering level and earn your reward. Rewards can be picked up at the Surfside Gift Shop after the 5th race day of the subsequent month. Cash back rewards are mailed.

DOES WAGERING CREDIT ROLL OVER FROM MONTH TO MONTH?

No. Each month is considered a unique monthly cycle for monthly wagering level rewards. Wagering credit begins on the first race day of the month and continues through the last race day of the month. Yearly wagering level rewards accumulate during the specified time period stated during the Surfside season.

CAN MY SPOUSE OR FRIEND WAGER ON THE SAME CARD FOR WAGERING CREDIT?

No. If it is determined that players are using one card to earn combined points, they will be immediately disqualified from the program.

IS MY INFORMATION CONFIDENTIAL?

Yes. Your information is used for the purpose of this program. The operation of this program does require the tracking of wagering activity when the card is used properly. Win and loss data is not captured for the purpose of this program.
